## new price

We have resisted increasing the price of Resurgence for the last 3 years, but we can do so no longer. The increase for individual subscribers will be 50p per year i.e. from £3.50 to £4.00 annually. The increase for libraries and institutions will be by £1.00, that is from £5.00 to £6.00. The cover price will be 60p. If all the Resurgence readers stay with us in spite of this increase we should be able to reduce the deficit by about £1200. It will still leave us with a deficit of about £1200 to be raised by donations next year, hoping

that no drastic increase takes place in our expenditure.

However, any subscribers who will renew their subscriptions by the 31st December 1978 can do so at the old rate, as the new price will apply from the 1st of January 1979.

The individual donations are coming in to meet this year's deficit of £2400 but we are nowhere near meeting this target. Please readers, if you can afford it, send us a small or large donation to keep Resurgence going.
