RESURGENCE GATHERING WILL NOT BE AT THE STUDENT UNION

You will notice that we have changed the venue of the *Resurgence* Annual Gathering on May 22nd from the Student Union to the **Temple of Peace, Cathays Park, Cardiff**. It may cause inconvenience to some of you, but if we had had the Gathering at the Students Union that would not only have caused inconvenience, but would have made you depressed. I booked the room there without seeing it as I could not imagine that there could be any building as terrible as the Cardiff Student Union.

The snow was falling like feathers. The wind was crisp. I walked from the continental delicatessen where I had gone to buy Jasmine tea. When I arrived at the Union Building I thought that it could not possibly be the Union Building; it looked like a warehouse. I asked a student and was amazed to know that indeed it was the Student Union Building. I sighed just at the look of it. I went inside. When I saw Room 3/20 I could not believe my eyes. The architect must have been a mad man. How could he plan such a dark prison-like building? Was he afraid of the sun and air? Or did he hate students? My heart was beating fast. I was totally depressed. This chocolate coloured brick building could not be the right place for the *Resurgence* Gathering. So please come to the Temple of Peace on May 22nd.
