Help secure the future of
The Resurgence Trust

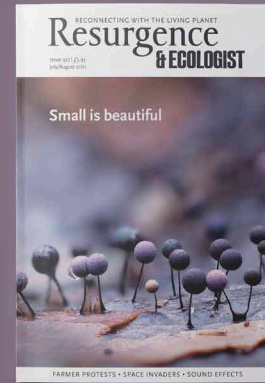

“The Resurgence Trust is dedicated to the wellbeing of the Earth for now and forever which includes the wellbeing of ourselves, of all people and of future generations.”

Your legacy – a gift to transform the Planet

Leaving a legacy to The Resurgence Trust is a powerful way to demonstrate your commitment to the planet, people and environmental education.

A gift in your Will can ensure The Resurgence Trust will be able to continue with its much-needed work of advancing the education of the public in areas of conservation, protection and improvement of the natural environment globally, arts, culture and human values.

Together we can ensure successive generations will share the pleasure you derived from the Resurgence Trust's varied activities which include publishing *Resurgence & Ecologist* magazine, running The Ecologist website, organising educational events, running the Resurgence Centre for environmental education in Hartland, Devon as well as Satish Kumar's global ambassadorial programme.

How to leave a Gift in your Will

Regardless of size, any amount you leave to The Resurgence Trust, will be of utmost value and deeply appreciated.

If you do not have a Will, we recommend that you contact a solicitor so that a legal document can be drawn up that clearly states your wishes.

Having a Will in place will give you peace of mind that your loved ones and any causes you care about are taken care of long into the future.

Once you have decided what you wish to include in your Will, there are several types of gift you can consider:

A Residuary Gift

This is a percentage of the value of your estate once all other payments have been made (eg. funeral expenses, pecuniary and specific legacies). This is an especially valuable gift as it retains its value over time.

A Pecuniary Gift

This is a fixed amount of money.

A Specific Gift

For instance, an antique, a painting, a piece of land or a house.

Please pledge a Gift in your Will to The Resurgence Trust.

Your loved ones come first

Once you have provided for your nearest and dearest, we hope that you will leave something to The Resurgence Trust.

The decision is yours

This is your Will and something for you to make or amend in your own time. We totally respect that this is highly personal. We are here for you if you need any information about the impact a gift in your Will could make to The Resurgence Trust.

We will use your gift with the greatest of care

We will ensure that it is used to make a real difference to future generations and the activities of The Resurgence Trust including the work of education in conservation, protection and improvement of the natural environment globally, arts, culture, spirituality and human values.

Protecting the future of the Resurgence Trust is one of tremendous opportunity.

With your support, your legacy will enable us to continue and expand this work for future generations.

Please email sharon@resurgence.org in complete confidence if you are interested in leaving a legacy in your Will for the Resurgence Trust or if you would like to receive more information on how to do so.
