**The Village Green**

At the centre of the Green & Away village is a fire circle, around which are a host of innovative and low-impact structures including a sitting room yurt, the kitchen tent, the Honking Goose bar, domes, an information area and the main marquee. There are also smaller spaces for discussions and workshops.

**Venues for talks & workshops**

1. For Green & Away site tours, meet by the G&A site office/caravan.
2. Welcome and introductions all take place around the fire circle.
3. Talks in the morning take place in the main marquee.
4. Workshops are held in various venues. Details will be displayed in the information area or announced on the day.
5. For morning yoga meet in main marquee area.
6. The woodland walk will start from the Resurgence information tent.
7. Classical Indian Raga will be held in the sitting room yurt.
8. Poetry and music in the evening will be in the marquee or the bar.

**Site tours**

It is important that all participants take a site tour to familiarise themselves with the layout of the site (even if they've been before). These tours provide essential information about how the site works – what to do and what not to do – as well as fire assembly points, first aid facilities and when the showers will be hot! This will also be your opportunity to find out more about Green & Away and their site facilities.

*Green & Away request that everyone leave the site by 4.00pm on Sunday so that the hard-working volunteers can relax!*

*Timetable subject to change: please keep an eye on the noticeboards around the site.*
