### The Village Green

At the centre of the Green & Away village is a fire circle, around which are a host of innovative and low-impact structures including a sitting room yurt, the kitchen tent, the Honking Goose bar, domes, an information area and the main marquee. There are also smaller spaces for discussions and workshops.

### Venues for talks & workshops

1. For Green & Away site tours, meet by the G&A site office/caravan.
2. Welcome and introductions all take place around the fire circle (weather permitting).
3. Talks take place in the main marquee.
4. Workshops: venues will be displayed in the reception area or announced on the day.
5. Sign-up forms will be available in reception for workshops with limited numbers
6. For morning yoga meet in the main marquee. Please bring a mat and cushion if you can.
7. Music and performances in the evening will be in the main marquee.

### Site tours

It is important that all participants take a site tour to familiarise themselves with the layout of the site (even if you've been before). These tours provide essential information about how the site works – what to do and what not to do – as well as fire assembly points, first aid facilities and when the showers will be hot! This will also be your opportunity to find out more about Green & Away and the site facilities.

*Green & Away request that everyone leave the site by 3.00pm on Sunday so that the hard-working volunteers can relax!*

### Timetable subject to change:

please keep an eye on the noticeboards around the site.
